

Due to the coronavirus (COVID-19) presenting a serious public health hazard, steps need to be taken to avoid the transmission and protect citizens. Along with the Governors “stay at home” order the DelDOT/City of Dover Bike to Work event scheduled for May 13th has been postponed. Until this threat has been eliminated it is not known at this time when the event will be rescheduled.

A thank you goes out to all those involved in helping with this event. For updates on the Bike to Work go to www.deldot.gov/Programs/bike.
